Erie, Pa. —Eriez® President and CEO Tim Shuttleworth, along with the entire Eriez Headquarters staff, recently welcomed the company's Board of Directors as well as eight Managing Directors from Eriez' International plants. The distinguished group met at Eriez' Headquarters plant to learn about the latest products and technologies, share ideas and to discuss common challenges and opportunities.

Managing Directors from Eriez International plants had a busy week-long agenda in Erie that included a series of training sessions, presentations, trips to clients' facilities and group discussions. "Although Eriez manufactures and markets our products through ten international facilities located on six continents, it all starts in Erie," says Shuttleworth. He adds, "One of our main goals always is to work to grow Eriez worldwide while protecting Erie's interests."

"Eriez is proud to have been a part of the Erie community for 68 years," says Shuttleworth. We have come a long way since our founding in 1942, to say the least. Through innovation, organization and diversification, Eriez has evolved into a technologically advanced, financially sound international company with manufacturing facilities in Australia, Brazil, Canada, China, Europe, India, Japan, Mexico and South Africa as well as our Erie Headquarters." He adds, "We are proud to call Erie home and look forward to continuing our dedication to the many industries we serve as well as our beloved Erie community."

Members of Eriez' Erie-based Board of Directors include Mr. James Freeman, Mr. Chuck Hedrick, Mr. Bill Hilbert Sr., Mr. Jack Hubbard, Mr. Desmond McDonald and Mr. James Walczak. President and CEO Tim Shuttleworth and Chairman Richard Merwin also serve on the Board.

Visiting Managing Directors included Mr. Victor Arak, Chief Operating Officer of Eriez-China, Mr. Malcolm Davy, General Manager of Eriez-Australia, Mr. Paul Fears, Managing Director of Eriez-Europe, Mr. Reginaldo Liberato, Managing Director of Eriez-CPT Brazil, Mr. Andy Lewis, Vice President- Eriez-International, Mr. Satish Shenoy, Managing Director of Eriez-India, Mr. Hideaki Tanno, President of Eriez-Japan, Mr. Frank Wiswall, Director of Eriez-South Africa and Mr. Harold Wyslouzil, Managing Director of Eriez-CPT Canada.

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company's magnetic lift and separation, metal detection, x-ray, column flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries. Eriez manufactures and markets these products through ten international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada. For online users, visit www.eriez.com or send e-mail to eriez@eriez.com. Eriez World Headquarters is located at 2200 Asbury Road, Erie, PA 16506.
